- Rocker
- Wood
- Test
- Weight

The FAIR Iside G2 in caliber 28/76 is designed to offer a unique experience, combining tradition and innovation. Its finely engraved, one-piece steel rocker guarantees robustness and durability, while maintaining a reduced weight for exceptional handling.

The 71 cm barrels offer optimum accuracy and ideal coverage for small game shooting. The interchangeable chokes allow perfect adaptation to different types of hunting and environments.

Available in single selective trigger for fast and intuitive shooting, or double trigger for traditional fans, this model meets the preferences of each hunter. Automatic ejectors ensure fast and reliable extraction of cartridges, simplifying sequences.

The elegant and ergonomic oiled sanded walnut wood guarantees remarkable grip comfort. This rifle is steel tested, offering compatibility with light steel balls. Its lightness and 28 caliber make it an ideal weapon for hunters looking for a smooth and pleasant experience in the field.

Highlights

Finesse and lightness : Caliber 28 ideal for mobile hunters and long days.

Adaptability and precision : Interchangeable chokes for tailored performance.

Customization of your choice : Available in selective single trigger or double trigger.

Aesthetics and comfort : Refined engravings and premium ergonomic walnut wood.

The FAIR Iside G2 in 28/76: an exceptional weapon, light and precise, designed for passionate hunters who demand the best.
