The FABARM Martial Cantilever is designed to meet the needs of demanding users in terms of versatility and robustness. Its 61 cm barrel, with optimized rifling, offers exceptional accuracy for shooting bullets, making this model ideal for situations where medium-range accuracy is essential.

The integrated cantilever rail allows the addition of optics or accessories, increasing the modularity of the weapon. Compatible with 12/76 magnum ammunition, it also supports steel balls, which guarantees great adaptability.

Its fluid pump and simple loading system ensure fast and reliable use, even in demanding conditions. With a capacity of 4+1 shots, this model offers firepower suitable for many situations. Its compact design and studied ergonomics allow easy and comfortable handling.

Highlights

Improved Accuracy : Rifled barrel ideal for shooting bullets.

Modularity : Integrated cantilever rail for customization with accessories.

Robustness and reliability : Solid design, compatible with modern ammunition.

Versatility : Suitable for various situations, from sport shooting to defense.

Choose the FABARM Cantilever Martial Pump 12/76: a high-performance, precise and modular weapon for all your shooting and defense needs.
