The FABARM STF/12 Pistol Grip Mil Spec Green is a pump-action shotgun designed for professional and enthusiast users looking for a reliable, ergonomic and tactical weapon.

FABARM PROFESSIONAL, established in 2015, aimed to revolutionize the approach to pump-action shotguns of recent decades, and this objective has been fully achieved. Gone are the technical criteria focused on production cost; with the STF/12, only performance matters. This PISTOLGRIP MIL SPEC GREEN version, specific to the French market, offers a sleek, Category C firearm with a fluid and tactical design. The 61 cm barrel (overall length including the fixed muzzle brake) is perfectly matched to the magazine tube, which is limited to 4+1 rounds. The CERAKOTE Mil Spec Green finish, combined with the deep black composite, is truly beautiful. Finally, like all STF/12 models, this version is upgradeable, allowing for the mounting of numerous peripherals. This shotgun is proofed to 1630 BAR.
