Detailed description

The ASPER A2 NOIR is a versatile and powerful weapon. The caliber, widely used for big game, ensures a taut trajectory and formidable stopping power. Its 55 cm barrels, with optimized rifling, guarantee exceptional precision while facilitating the handling of the weapon, particularly in driven hunts.

The steel receiver, with a matte black finish, gives this rifle the strength and durability needed for the most demanding hunting conditions. The automatic ejectors allow for quick and smooth extraction of cases for efficient sequences. The selective single trigger offers precise control over the order of shots, adding to the versatility of the weapon.

Its stock in selected walnut, sanded and oiled, provides exceptional grip comfort as well as a refined and timeless style. Tested at 1630 BAR, this model is compatible with modern ammunition, guaranteeing maximum safety and reliability in all circumstances.

The FABARM Express ASPER A2 BLACK: a high-performance and elegant rifle, designed to excel in your big game hunts.
