Optimize the installation of your night vision and thermal devices with the PARD QD Clip-On adapters, available in 41 mm, 53 mm and 63 mm diameters, ensuring perfect compatibility with your optics.

PARD QD Clip-On Adapters are designed to make it easy to quickly and securely attach your PARD FT3 and FD1 modules to a variety of optics. Available in three diameters (41mm, 53mm, and 63mm), they ensure a precise fit to your gear. Their quick-release mounting system allows for easy installation and removal without the need for additional tools, providing ultimate flexibility during your hunting or night shooting sessions.

Technical characteristics:

- **Compatibility** : PARD FT3 and FD1 modules
- **Available diameters** : 41 mm, 53 mm, 63 mm
- **Mounting Type** : Quick Release (QD) System
- **Material** : High quality metal alloy
- **Installation** : Simple and quick, without the need for specialized tools
- **Stability** : Secure and precise hold of the optics
- **Durability** : Optimal resistance to demanding conditions

PARD QD Clip-On adapters feature a rugged design made of high-quality metal alloy, ensuring increased durability and resistance to the most demanding conditions. Their quick-release (QD) mounting system makes it easy to transition between your equipment, while maintaining a stable and precise attachment. The availability in three diameters (41 mm, 53 mm and 63 mm) offers extensive compatibility with various optics, ensuring a perfect fit for your equipment.
