Optimize the installation of your PARD NV007V night vision device with the Clip-On adapters, available in 45 mm, 51 mm and 57 mm diameters, ensuring perfect compatibility with your optics.

PARD Clip-On Adapters are designed to make it easy to quickly and securely attach your NV007V module to a variety of optics. Available in three diameters (45mm, 51mm, and 57mm), they ensure a precise fit to your gear. Their quick-release mounting system allows for easy installation and removal without the need for additional tools, providing ultimate flexibility during your hunting or night shooting sessions.

Technical characteristics:

- **Compatibility** : PARD NV007V Module
- **Available diameters** : 45 mm, 51 mm, 57 mm
- **Mounting Type** : Quick Release (QD) System
- **Material** : High quality metal alloy
- **Installation** : Simple and quick, without the need for specialized tools
- **Stability** : Secure and precise hold of the optics
- **Durability** : Optimal resistance to demanding conditions

PARD Clip-On adapters feature a rugged design made of high-quality metal alloy, ensuring increased durability and resistance to the most demanding conditions. Their quick-release (QD) mounting system makes it easy to transition between your equipment, while maintaining a stable and precise attachment. The availability in three diameters (45 mm, 51 mm and 57 mm) offers extensive compatibility with various optics, ensuring a perfect fit for your equipment.
