Ideal for transporting and protecting long weapons.

Transport and protect your equipment with the Power Case, designed for total customization thanks to its innovative "Pick & Pluck" foam.

- Interior dimensions: 130.8 x 32.1 x 13.3 cm
- Useful volume: 55.84 l - Waterproof IP67
- 6 closures + 2 padlocking points
- Carrying handle, wheels and rolling handle.

The POWER CASE hard case has been specially designed to meet the needs of demanding shooters and hunters. Thanks to its construction in fiberglass-reinforced polypropylene, it offers exceptional durability while remaining lightweight. IP67 certified, it guarantees total sealing against water and dust, ideal for protecting your long weapons and accessories in the harshest environments.

With its exterior dimensions of 138.7 x 39.4 x 15.2 cm, this case is designed to accommodate your shotguns, rifles and accessories. Its spacious interior of 130.8 x 32.1 x 13.3 cm can be customized with layers of "Pick & Pluck" foam, allowing you to perfectly adapt the storage to your equipment.

The six compression latches and reinforced padlock eyes (10 mm) ensure optimum security against theft. The integrated pressure relief valve facilitates air transport by regulating the internal pressure. The POWER CASE can withstand extreme temperatures from -40°C to +90°C, making it ideal for demanding terrain or harsh climates.

Additionally, this case is designed to be stackable, making it convenient for organized storage. Its rugged durability also protects it from impact, chemicals, and corrosion, ensuring the preservation of your valuable equipment. Whether you are a sport shooter or a hunter, the POWER CASE is the ideal solution for the secure transport of your long guns and accessories.
