Featuring a detachable magazine and Weaver rail, this rifle allows for the easy addition of optics and accessories, providing optimal adaptability for various shooting situations.

The BCM Ignis Synthetic rifle is designed for shooters and hunters looking for a light and accurate weapon, thanks to its synthetic stock and high-quality barrel. The detachable magazine allows for fast and efficient reloading, while the integrated Weaver rail offers the possibility of mounting a variety of optics according to the shooter's preferences. The M14x1 thread at the end of the barrel allows the addition of devices such as sound moderators or muzzle brakes, thus increasing customization and comfort of use. **Scope not included.**
