**The Steyr AUG A3 SA SE has a 1.5x scope integrated into the handle, 60mm high.**

The Steyr AUG A3 Z QCB/SR is the civilian version equipped with a 1.5x scope of the famous Austrian assault rifle, featuring a bullpup design that allows for a reduced overall length without compromising barrel length. Equipped with a scope integrated into the grip and topped with a picatinny rail (Mil. Std. 1913), it can accommodate additional optics. Its cold-hammered and chrome-plated barrel ensures exceptional accuracy and increased durability. The QCB (Quick Change Barrel) configuration allows for rapid barrel changes, providing additional flexibility for different shooting situations.

### Technical characteristics:

- **Caliber** : .223 Remington
- **Barrel length** : 417 mm (16")
- **System** : Semi-automatic, bullpup
- **Rail** : Picatinny (Mil. Std. 1913)
- **Barrel** : Cold hammered, chrome plated
- **Magazine capacity** : 9 rounds (other capacities available)
- **Weight** : Approx. 3.3 kg without charger
- **Total length** : Approx. 672 mm
- **Color** : Black

The 1.5x scope with a circular reticle allows for rapid target acquisition.

The standard magazine capacity is 9 rounds, with options for higher capacity magazines available separately, subject to legal compliance. The Quick Change Barrel (QCB) system provides additional flexibility, allowing the shooter to quickly adapt to different operational requirements.

Additionally, the ergonomic design and balanced weight distribution make this rifle comfortable to use, even during extended shooting sessions.
