The **Microdot Sight MS20** is an **ultra-compact holographic red dot sight** designed for dynamic shooters and hunters seeking responsiveness. Mounted on a **Picatinny rail** , it offers rapid target acquisition and excellent dot visibility, while remaining discreet on the firearm.

Compact and remarkably effective, the Microdot MS20 red dot sight was designed for those who refuse to compromise between speed and precision. Perfect for sport shooting disciplines or fast-paced, close-range action.

Simplified ergonomics, immediate effectiveness

Intuitive adjustment of the light point

The sight has two buttons (+/-) on the front, easy to operate even with gloves. They allow you to adjust the dot intensity according to the ambient light or the type of target.

Lightweight and minimal bulk

Weighing only 30g and measuring 6cm in length, the MS20 is one of the lightest red dot sights in its class. Ideal for compact firearms or for lightening multi-accessory mounts.

Quick and secure assembly

Picatinny plate included

Supplied with a Picatinny mounting plate with quick-release locking lever, the sight can be installed in seconds on most compatible long guns or tactical platforms.

elevation and windage adjustment

The point alignment is precisely adjusted using two screws (1 click = 1 MOA), with the Allen key provided.

Simplified autonomy and maintenance

CR2032 Power Supply

The battery compartment is secured by two Phillips head screws (screwdriver included). The CR2032 battery, commonly available and easy to find, provides good battery life. (Battery not included)

FAQ

Is the red dot sight compatible with all Picatinny rails?

Yes, the Microdot MS20 comes with a mounting plate suitable for standard Picatinny rails.

Can the brightness of the red dot be adjusted?

Yes, two buttons (+ and -) allow you to easily adjust the intensity of the light point.

What accessories are included with the viewfinder?

It comes with a Picatinny plate, mounting screws, Allen key, and screwdriver. The CR2032 battery is not included.
