Like all FALKE products, FALKE reflex sights are developed and tested by professionals. They have already proven themselves time and time again.

A red dot sight with minimalist dimensions offering low weight and limited bulk.

Excellent value for money for the German red dot.

With its two plates provided, it can be mounted in the high or low position on the 21 mm picatinny rail of the weapon.

A point-aim, point-hit aiming system, with its absence of parallax and unlimited eye distance.

Coupled with a magnifier it allows shots at greater distances.
