The FABARM MARTIAL CANTILEVER AB 14" is a weapon designed to meet the requirements of security professionals and law enforcement. Its 14-inch (36 cm) barrel with cantilever mount allows for easy installation of optics, providing increased flexibility during operations. The barrel's cylindrical bore ensures uniform dispersion of projectiles, optimizing accuracy at close range.

The fiber optic front sight facilitates rapid target acquisition, essential during interventions requiring immediate responsiveness. With a total capacity of 5+1 rounds, the MARTIAL CANTILEVER AB 14" offers adequate firepower while maintaining an appreciable compactness. Weighing 2.92 kg and measuring 83 cm in total length without muzzle brake, it is easily maneuverable in confined environments.

The Cerakote Armor Black finish, applied to both the barrel and the Ergal 55 frame, provides exceptional resistance to harsh environmental conditions, ensuring increased weapon longevity. The Pro Forces composite stock, with a length of 320 mm, is designed for optimal ergonomics, allowing effective use even in stressful situations.
