### Accessories

- 1 box of 250 Gamo Match pellets (flat head, for target shooting)
- 1 box of 100 Gamo cardboard targets 14x14 cm

### ???? Whisper Technology

The Gamo Quiet Black rifle is equipped with the **Whisper** system, which significantly reduces noise coming out of the barrel thanks to an integrated moderator. This allows for more comfortable practice in urban or semi-open environments, while limiting noise disturbance.

### **4x32 WR scope included**

The Gamo 4x32 WR scope offers a fixed magnification ideal for shooting at 10-25 m. Its quick-release 11 mm rail mount makes it compatible with most Gamo rifles. The quality of the lenses ensures a clear image and accurate shooting.

### **Match pellets & adapted targets**

Flat-headed Match pellets are ideal for shooting on paper targets, ensuring clear, legible hits. The 14x14 cm targets meet Gamo target standards, allowing for direct use without cutting or adaptation.

### **Technical lexicon**

- **WR (Water Resistant)** : means that the scope is protected against moisture, but not submersible.
- **Whisper** : Gamo's patented noise reduction technology.
- **Tilting barrel** : classic arming system by breaking the barrel, simple and reliable.
