- 20 MoA light alloy action rail
- Anschültz type rail for mounting a bipod
- PVD finish on the mechanism and polished PVD on the slide
- Victrix Sporting V Adjustable Trigger
- Suitcase for transport with military specifications cod. 13513
- User manual and welcome kit

A benchmark in long range shooting (TLD)

The quality of manufacture and machining of VICTRIX guns make them rifles of very high precision, where only performance counts.

VICTRIX is a must in shooting competitions and in particular the King of 1 mile.

Smooth mechanics, high precision barrel, premium materials. All the components needed for amazing groupings.

Lothar Walther rifled barrel, hammer-forged in special steel, matte black CERAKOTE finish, 1" barrel
Laminated wood stock
Anima® system, stock with monolithic light alloy bedding
Built-in 20 MoA action rail
Light alloy Anschutz type rail for mounting a bipod

Single shot short action in AISI 630 made from billet through milling and turning.
Bolt with six symmetrical legs, equipped with grooves and an interchangeable bolt lever
Polished PVD finish on the receiver and on the slide
Victrix Sporting X adjustable One stage: standard setting approx. 700 grams (24.70oz)
Protective bag for safe transport
Explorer case for transport with military specifications cod. 13513
User manual and welcome kit
