The **Caesar Guerini Summit Trap 28-gauge** over-and-under shotgun is ideal for clay pigeon shooting competitions, especially for disciplines requiring surgical precision. Featuring a 76 cm barrel, it ensures a perfectly regular and consistent pellet trajectory, ideal for competitive shooting and intensive training.

High-performance cannon

Crafted with precision, the Caesar Guerini Summit Trap's 76cm barrel ensures optimal ballistics. It features an 8mm ventilated tapered top rib, providing excellent visibility and enabling quick, instinctive alignment on target. The spherical white dot further enhances shooting accuracy in all lighting conditions.

DTS Stock: Personalized Fit and Comfort

Equipped with the exclusive DTS (Dynamic Tuning System), this rifle features a fully adjustable stock. This technology allows you to quickly and precisely adjust the comb height, cant, and stock length. This personalized fit provides superior comfort and total control over your weapon.

Selectchoke Technology: Maximum Versatility

The Caesar Guerini Summit Trap features interchangeable Selectchoke Sporting chokes. These offer the ability to instantly adapt the pattern dispersion to each discipline and shooting condition. The shotgun comes with a complete set of chokes and a mounting wrench, ensuring remarkable versatility.

Invisalloy Finishes: Strength and lasting elegance

The Invisalloy finish applied to the receiver guarantees optimal protection against oxidation and wear. This innovative treatment durably preserves the natural beauty of the rifle while facilitating its maintenance, thus maintaining a new appearance even after intensive use.

ABSPRO Case: Secure transport

Your Caesar Guerini Summit Trap comes in a rugged ABSPRO case specially designed to protect your rifle during travel. This case secures your rifle, chokes, and accessories, providing a professional carrying solution for regular competitors.

Steel ball test (on request)

The Caesar Guerini Summit Trap can be steel shot proofed upon request, making it compatible with all types of ammunition to suit your specific competition or recreational sporting needs.

This rifle is classified in category C. Its acquisition requires an identity document as well as a valid shooting license or hunting permit.
