Power for waterfowl

With its **12/89 Super Magnum caliber** , this over-and-under shotgun delivers the energy needed to hit targets at long range. The **UM7 steel barrels** , proven with steel shot, ensure consistent performance even with powerful loads.

Robust design

Its high-strength **single-piece steel rocker** , combined with a **double low locking system** and interchangeable trunnions, guarantees secure locking and long life.

Camouflage and resistance

The **Dura Touch camouflage** finish ensures perfect integration in humid environments and reinforced protection against corrosion, ideal for hunting in marshes, huts or gabions.

Practicality and comfort

Equipped with a **selective single trigger** and **extractors** , it allows for quick and smooth use in the field. Also available in a left-handed version on request.

- Steel ball test
- 76 cm guns
- Balanced weight of 3.3 kg
- Left-handed option available
