14" HP Canon and enhanced precision

The **Fabarm STF 12 Compact Black 14"** is equipped with a 36 cm barrel benefiting from **HP machining**, capable of withstanding high pressures (1630 bar). Combined with the **INNER HP Accuracy choke**, it offers better precision and a more regular distribution of the spray.

Comfort and ergonomics

The **Soft Touch** composite folding stock is equipped with an **HRA** shock-absorbing shoe, which effectively absorbs recoil and ensures a secure grip, even in difficult conditions.

Ergal 55 frame

Made of **Ergal 55**, the frame combines lightness and strength. Its anti-reflective finish limits light reflections and increases the weapon's durability.

Customization with Picatinny rails

The **MIL-STD 1913 Picatinny** rails, both upper and lower, allow for quick mounting of accessories such as lamps, optics or grips. The screw-on mounting system guarantees equipment changes without loss of adjustment.

Additional technical details

- **barrel finish:** anti-reflective

- **choke:** INNER HP Accuracy
- **barrel sleeve:** yes
- **stock finish:** Soft Touch
- **carcass finish:** anti-reflective
