Compact 9x19mm rifle with 8.3" cold hammered barrel.

The **DANIEL DEFENSE DD PCC SBR semi-automatic rifle** is a compact AR15 platform chambered in 9x19 (9mm Luger), designed for maneuverability and precision.

- **caliber:** 9x19 (9 mm Luger)
- **barrel length:** 8.3" (21.08 cm), rifling pitch 1:10
- **total length:** 57 to 68.5 cm
- **weight:** 2.76 kg
- **carcass:** upper/lower shortened, ambidextrous
- **rail:** DD4 7" free-float with M-LOK interface
- **Muzzle brake:** DD® A2 flash suppressor, 1/2x28 TPI thread
- **charger:** CZ Scorpion compatible
- **buffer:** hydraulic for recoil reduction
- **case:** supplied, rigid plastic Daniel Defense

Compact, precise, and well-designed, the Daniel Defense DD PCC SBR stands out in the world of modern AR9 rifles. Its shortened body, hydraulic buffer, and M-LOK rail make it an ideal weapon for dynamic shooting enthusiasts seeking smooth operation and extended comfort.

Canon Cold Hammer Forged

The **8.3-inch cold hammer-forged barrel** ensures excellent durability and consistent accuracy. The brand's signature **S2W®** profile offers a good balance between rigidity and heat dissipation, enhanced by the use of **stainless steel** .

Ergonomics and maneuverability

With an adjustable length of 57 to 68.5 cm and a weight of 2.76 kg, this rifle offers a **quick grip** and **ideal maneuverability** in confined environments. The ambidextrous receiver and **M-LOK free-**

floating handguard allow for a high degree of modularity.

Softer recoil and compatibility

The **integrated hydraulic buffer** significantly improves shooting comfort, especially during long sessions. Another advantage is its **compatibility with CZ Scorpion magazines** , which are practical, robust, and readily available.

FAQ

Does the rifle come with sights?

No, the sights are sold separately. The Picatinny rail allows you to mount the optics or sights of your choice.

What type of chargers can be used?

The DD PCC SBR is designed to work with compatible **CZ Scorpion** magazines, which are very common on the market.

Is the threading compatible with a sound moderator?

Yes, the 1/2x28 TPI thread allows for the mounting of a sound moderator or muzzle brake suitable for the 9x19 caliber.
