### A special tactical pack for Speed Sport Shooting (TSV) or CQB

Complete pack combining the **SCHMEISSER AR15 S4F 10.5"** semi-automatic rifle in 5.56 NATO / .223 Rem and the **Falke S Police red dot sight**, designed for dynamic shooting and demanding environments.

- **caliber:** 5.56x45 NATO / .223 Remington
- **barrel length:** 10.5" (267 mm), 1:9 rifling
- **barrel thread:** 1/2x28 TPI
- **upper/lower receiver:** CNC machined 7075-T6 aluminum
- **Handguard:** Aluminum free-floating M-Lok
- **rail:** Upper integral Picatinny
- **stock:** adjustable Mil-Spec type
- **controls:** ambidextrous selector
- **rifle weight:** ~2.8 kg
- **optics:** Falke S Police red dot, 2 MoA
- **autonomy:** up to 2000 h (CR2032 battery)
- **optical mounting:** high & low plates on 21 mm rail

### Compact and versatile rifle

With its short 10.5-inch barrel, the **Schmeisser AR15 S4F** offers an ideal format for dynamic shooting and tight spaces. Its 5.56 NATO / .223 Rem chamber ensures compatibility and reliability with standard ammunition.

### Quality German construction

The CNC-machined 7075-T6 aluminum upper and lower frames ensure strength and durability. The black or OD Green anodized finish resists impact, wear, and corrosion.

### Free-floating M-Lok handguard

The **M-Lok** system allows for the attachment of lamps, grips, or other accessories. The free-floating handguard improves accuracy by preventing unwanted pressure on the barrel.

### Integral Picatinny rail

The continuous top rail allows for direct mounting of optics, such as the included Falke S Police sight, as well as additional sighting accessories.

### **Falke S Police Red Dot**

This 2 MoA red dot sight provides immediate, parallax-free target acquisition. Constructed from CNC machined 6061 aluminum, waterproof and nitrogen purged, it is designed for intensive use.

### **Autonomy and ergonomics**

Powered by a CR2032 battery, the Falke S offers up to 2000 hours of battery life. It comes with two mounting plates (high and low), adapting to your AR15 setup. The integrated flip-up eyecups protect the lenses without interfering with shooting.

- **total length of rifle:** compact (~68 cm with stock adjusted)
- **sights:** not included (optics provided)
- **Optics:** 1x magnification, 2 MoA red dot
- **optical adjustment:** 80 MoA in elevation/windage
- **optical sealing:** up to 10 m / 1 h
- **optical weight:** 195 g
