High-end side-by-side express rifle, elegant and formidable in action.

The **FAIR Iside Prestige Express** is a side-by-side rifle with **engraved sideplates** and a luxurious finish, designed for discerning hunters. Compact, maneuverable, and aesthetically remarkable, it combines industrial precision, handcrafted elegance, and effectiveness in the field.

- Engraving: Elegant with animal engraving
- Toggle False body
- High-strength steel fret (39NCD4Ph)
- Height-adjustable handlebars with red fiber optics
- Butt plate: Orange rubber, 1.3 cm thick
- Pre-equipped strip for mounting
- Delivered in an ABS case.

Designed for driven hunt enthusiasts and those who enjoy demanding pursuits, the **FAIR Iside Prestige Express 2026** embodies the perfect blend of tradition and precision. Its slim receiver with **a false side panel** conceals a robust mechanism, while the new 2026 animal engraving - a boar in full profile - immediately sets the tone. This is not just an express rifle; it's a piece of gunmaking crafted to last... and to impress.

Design & finish: an engraving that leaves a lasting impression

Extreme attention to detail

Each metal component features a **deep floral engraving** , enhanced by a hunting scene showcasing a wild boar - ideal for driven hunt enthusiasts. The whole is framed by a meticulously

sanded and oiled walnut stock.

Ergonomics are key.

With its **orange butt plate** and **fiber optic front sight** , this shotgun ensures a quick and instinctive mount, even in low-light conditions. Its balanced weight (2.7 kg) allows for excellent handling.

Performance in action

Short barrel and responsiveness

The **55cm barrels** facilitate movement in dense environments (undergrowth, hunting), while guaranteeing a good compromise in accuracy.

Choice of suitable calibers

Available in **.30 R Blaser** , **.30-06 Springfield** , **8x57 JRS and 9.3x74 R** , this model covers the needs of French big game hunters.

FAQ

Is the FAIR Iside Prestige shotgun suitable for driven hunts?
Yes, this model is perfectly suited for driven hunts thanks to its **maneuverability** , **short barrel** and **illuminated front sight** .

Is this a category C rifle?
Yes, depending on the caliber and configuration, this model may be classified as **category C.** Check with your gunsmith.

Is the engraving customizable?
No, this 2026 model has a fixed, **exclusive engraving** with a boar scene.

What type of trigger mechanism is this model equipped with?
It is equipped with a selective **single trigger** , ideal for quick and instinctive shooting.

Is there a version with longer barrels?
No, the Express 2026 model is only offered with **a 55 cm barrel** to optimize maneuverability.
