Designed to accompany the modern hunter in diverse environments, the **Monza Black in .243 Win** is a compact, reliable, and easy-to-handle bolt-action rifle. Whether for early morning stalking, hunting from a blind at the edge of a wooded area, or moderate-range shots in open terrain, it offers a **versatility that is highly valued in the field** .

A rifle designed for active hunting

Lightness and balance guaranteed.

With its overall length of 108 cm and its 56 cm barrel, the Monza boasts an ideal size for carrying on long marches, whether driven hunts or field hunts. It sits comfortably on the shoulder and remains agile during rapid movements.

A caliber suitable for light to medium game

The **.243 Winchester** is renowned for its excellent performance on roe deer, foxes, and small wild boar. Its moderate recoil promotes accuracy, even in stressful conditions.

Details designed for the field

Threaded barrel and Black Cataphoresis treatment

The 5/8x24 thread allows for the mounting of a **sound moderator** or muzzle brake, useful for maintaining position or minimizing recoil. The **anti-corrosion** treatment ensures optimal resistance, even during outings in the rain or in humid conditions.

Simplified maintenance

No need for a tool kit in your bag: the Monza can be completely disassembled without tools. A real freedom when you need to clean or make quick repairs.

FAQ - Frequently Asked Questions

Is the Monza Black rifle suitable for deer hunting?
Yes, the **.243 Win** caliber is perfectly suited for roe deer and other medium-sized game. It offers a good compromise between power and recoil.

Can a sound moderator be fitted to this rifle?
Yes, thanks to its **5/8x24 thread** , you can install a compatible sound moderator or muzzle brake.

Is it practical for stalking?
Absolutely. It is **lightweight, well-balanced** and quiet with a moderator - ideal qualities for hunters on the move.

What is the barrel's coating?
This is a **Black Cataphoresis** treatment, which effectively protects against moisture and corrosion.

Can the rifle be disassembled without tools?
Yes, its **quick disassembly** can be done directly on the ground without any tools, which greatly facilitates maintenance.
