Italian elegance and perfect balance for lovers of refinement.

The **FAIR Jubilee Venice** over-and-under shotgun in 28/76 gauge combines elegance, technical prowess, and Italian craftsmanship. Available in two versions- **English stock** or **pistol grip stock** - it is designed for discerning shooters and hunters seeking a responsive, lightweight, and beautifully decorated shotgun.

- **Brand** : **FAIR**
- **Model** : **Jubilee Venice Faux Bodice**
- **Type** : Over-and-under shotgun, .28/76 caliber
- **Barrel** : 71 cm with ventilated rib
- **Trigger** : Single selective trigger
- **Ejection** : Automatic ejectors
- **Rocker** : Engraved steel with a silver finish
- **Wood** : Sanded and oiled walnut, fine grid pattern
- **Stock** : Available in **English** or **pistol grip** version
- **Sighting rib** : Ventilated with barleycorn pattern
- **Weight** : Approximately 2.7 kg depending on the version

The FAIR Jubilee Venice 28/76 gauge is a highly refined over-and-under shotgun, designed for those seeking the perfect balance between aesthetics and performance. Its finely engraved steel receiver, lightweight construction, and 71 cm barrels make it an ideal companion for extended shooting sessions or small game hunting.

Two stock styles to choose from

English rifle stock: elegance and tradition

The **English stock** version will appeal to shooters who like flowing lines, with a natural grip that promotes responsiveness.

Pistol grip: reinforced grip

The **pistol** version ensures a firmer and more controlled grip, especially during rapid sequences or during sport shooting.

An exceptional engraving

From the first moment you pick it up, you can see the care taken with the floral engraving that adorns the rocker. It's exactly the kind of detail you appreciate with use, both for its aesthetic appeal and its authenticity.

76mm chamber and 71cm barrels

With its 76mm magnum chamber, steel shot proofed barrels, and ventilated rib, this shotgun is as functional as it is refined. The balance between compactness, lightness, and firing inertia is perfectly achieved.

FAQ

Is this rifle compatible with steel shot cartridges?

The barrels are **steel shot proofed** , making them compatible with **non-toxic ammunition** suitable for the **28/76 caliber** .

What is the difference between an English stock and a pistol grip?

The **English stock** offers a straight and elegant line, ideal for purists. The **pistol grip** , on the other hand, provides a **better grip** for dynamic shooting.

Is this a good choice for waterfowl hunting?

Although the **28 gauge** is more suited to small game, the rifle is **chambered for 76 mm** and **steel proofed** : it may be suitable on occasion, in compliance with regulations.

Is the weight of the rifle suitable for long sessions?

Weighing approximately **2.7 kg** , it is **very maneuverable** and well-balanced, ideal for long days without excessive fatigue.

Can the stocks be interchanged?

No, each version is manufactured with its **own dedicated stock** . Therefore, you should choose the **stock style** according to your personal preferences.
