- **Relaxation** : Single relaxation
- **Ejection** : Extractors
- **Sights** : Adjustable fiber optic (front and rear sights)
- **Finish** : **Ergal engraved rocker, 2026 edition** , sanded and oiled walnut
- **Total length** : 105 cm
- **Weight** : 2.7 kg

With its **exclusive 2026 engraving depicting a deer and a wild boar** , the FAIR Premier Ergal MD express rifle in 8x57 JRS caliber asserts its style while retaining the technical characteristics for which the brand is renowned. A refined driven hunt rifle, ready to perform from the moment it's shouldered.

An iconic double engraving

The new **2026 engraving** combines two iconic big game animals: the deer and the wild boar, finely integrated into the **Ergal receiver** . A piece that is both aesthetically pleasing and symbolic, for discerning hunters seeking authenticity and elegance.

Designed for driven hunts

The short 55cm barrel combined with the **8x57 JRS** caliber ensures maneuverability and efficiency. Its light weight (2.7 kg) and natural balance facilitate responsiveness and accuracy during hunting.

robust technical architecture

Double flat locking, interchangeable steel trunnions and 39NCD4Ph steel fret: this express rifle combines fine lines and mechanical strength, for ultimate endurance.

Fast and adjustable aiming

The **adjustable fiber optic front sight** and **illuminated rear sight** ensure instinctive target acquisition. The rib is optic-ready for even greater versatility.

FAQ

What distinguishes the 2026 engraving from this model?

The 2026 engraving incorporates both a deer and a boar in a unique and detailed composition, highlighting the big game orientation of this express with a touch of refinement.

Is this a rifle suitable for a fast-paced driven hunt?

Yes, its lightness, compactness and excellent balance make it particularly effective for driven hunts, especially in forests or dense areas.

What type of optical mount is compatible?

The hunting strip is pre-equipped to accommodate a m
