The FAIR Kipplauf is designed for demanding hunters.

The **FAIR K500 Kipplauf rifle** is designed for hunters who prefer single-barreled shotguns and seek precision, reliability, and a refined design. This lightweight, balanced, and responsive model is available in several versatile calibers, suitable for the most common European game.

The tilting barrel offers the best guarantee of safety between hunting actions.

The trigger equipped with an adjustable Setcher device guarantees crisp starts and optimal accuracy.

- **Trigger system** : Setter (step-type trigger)
- **Handlebar** : Adjustable fiber optic (red/green)
- **Stock** : Selected walnut wood, laser checkering, oiled finish
- **Receiver** : Steel, 20 gauge base with compartment for a spare cartridge
- **Optical attachment** : Pre-drilled top band for eyeglass mounting

- **Brand** : **FAIR**
- **Model** : Kipplauf K500 with extractor
- **Available calibers** : **.243 Win, .270 Win, .30-06 Sprg, 7x65 R**
- **Barrel length** : 60 cm
- **Weight** : 2.75 kg

Designed for those passionate about stalking or ambush hunting, the **FAIR Kipplauf K500** is available in several calibers to cover a wide range of situations. Lightweight, accurate, and beautifully finished, it stands out as a benchmark in its category.

A Kipplauf designed for efficiency

Thanks to its **20-gauge action** , the K500 benefits from a refined structure and reduced weight without compromising on robustness. The lower compartment can hold a spare cartridge, always

within easy reach. A discreet detail, but invaluable in practice.

Four calibers for all terrains

Que vous soyez adepte du **.243 Win** pour le chevreuil, du **.270 Win** pour la plaine, du **.30-06 Sprg** pour le grand gibier ou du **7x65 R** pour les environnements mixtes, la K500 répond présent. Chaque calibre conserve les qualités de maniabilité et d'équilibre propres à cette série.

Classic aesthetics, modern finish

With its laser-checkered walnut stock, elegant lines, and glossy oil finish, the K500 visually exudes confidence and sophistication. When firing, its adjustable **set trigger** ensures a crisp trigger pull, optimizing every shot.

A rifle built to last

The mechanical components are robust and precisely fitted. The fiber optic viewfinder is clear, even in low-light conditions. And the top rail is already prepared to accept optics, for the most demanding users.

FAQ

What calibers are available for the Kipplauf K500?

The rifle is offered in .243 Winchester, .270 Winchester, .30-06 Springfield and 7x65 R.

Is the K500 compatible with a rifle scope?

Yes, the top band is pre-drilled to accommodate an optical mount (rail type or clamps).

Can the K500 be used for ambush or stalking?

Absolutely, its lightness, precision and the calibers offered make it an ideal weapon for these types of hunting.

Is the rifle equipped with a sensitive trigger system?

Yes, it has a Setcher allowing for an extremely fine start, ideal for precise shots.
