Detailed technical specifications

Canon TRIBORE HP

The TRIBORE HP system optimizes projectile velocity and reduces recoil. Combined with Inner HP chokes, it guarantees a consistent shot pattern, suitable for all situations.

Engraved silver steel rocker

Forged to last, the steel receiver offers maximum rigidity. Its engraved silver finish enhances the weapon's elegance while remaining understated and functional.

Ergonomic stock and balance

The pistol grip profile and oiled finish provide excellent hand feel. The natural balance facilitates rapid shouldering and improves responsiveness.

Versatility at the service of the hunter

With its 76mm magnum chamber, five interchangeable chokes and high-performance ejectors, this model is equally suited to driven hunts and light stalking.

FAQ

Is this rifle suitable for hunting in open fields?

Yes, its relative lightness, its 71 cm barrel and its modular chokes make it ideal for dynamic hunting such as in plains or open areas.

Are the chokes provided compatible with steel ammunition?

Yes, the Inner HP chokes supplied with the ELOS B2 are designed to support steel shot ammunition, in accordance with the manufacturer's recommendations.

Does this model come in a carrying case?

No, the model comes in its original cardboard box. A carrying case is available as an option.
