The Fair Premier Steel Ejectors 20/76 gauge shotgun embodies gunsmithing expertise for hunters seeking performance and reliability. This over-and-under combines robustness and smooth shooting in an elegant configuration, designed for active and varied use.

An over-and-under shotgun designed to last

With its **steel receiver** and **long-stroke ejector** system, the Premier Steel guarantees a clean and consistent ejection - essential for fast-paced action. The choice of 20/76 gauge, coupled with 71 cm barrels, offers an ideal trajectory for a wide variety of game, including in open fields and wooded areas.

Comfort and ergonomics in action

The **single-trigger** system simplifies decision-making when firing, and the **three interchangeable chokes** provided allow you to adapt the shot pattern to the day's conditions. In hand, you immediately feel the balance of the gun - neither too light nor too forward - a real advantage in use.
