- **Carcass** : Ergal 55
- **Frame finish** : Matte black
- **Sights** : Diopter and high front sight
- **Stock** : Pistol grip
- **Total length** : 53 cm (21")
- **Weight** : 2.340 kg
- **Packaging** : Cardboard box
- **Classification** : Short weapon category B1

The **FABARM Martial Pistola 11"** is an ultra-short version of the 12/76 gauge pump-action shotgun, specifically designed for authorized users seeking a compact and high-performance firearm. Its pistol grip design optimizes size while maintaining excellent mechanical stability.

Ultra-compact 11-inch configuration

With a 28 cm barrel and an overall length of only 53 cm, this model stands out for its exceptional compactness. The low center of gravity promotes instinctive control and high responsiveness.

12/76 cylindrical barrel

The cylindrical bore (CYL) ensures versatility of use in 12/76 gauge. The matte black finish limits reflections and effectively protects exterior surfaces.

Efficiency-oriented ergonomics

The pistol grip ensures a firm and direct hold. The sights, consisting of a rear diopter and a high front sight, allow for quick and precise target acquisition.

Robust Ergal 55 construction

The **Ergal 55** frame combines lightness with high mechanical strength. Its low weight of 2.34 kg contributes to the overall balance of the weapon without compromising its structural integrity.

FAQ

What is the classification of the FABARM Martial Pistola 11"?

This model is classified as a category B1 short weapon according to current regulations.

What is the capacity of the magazine tube?

The total capacity is 4 + 1 cartridges in 12/76 mm caliber.
