A .22 LR rifle dedicated to precision

The **Victrix Ardea** was designed to offer an accessible **precision shooting** experience without compromising on quality. Its **22-inch match-grade barrel** delivers consistent groupings, whether for training or competitive shooting. On the range, it inspires confidence with its simplicity and consistency.

Ergonomic wood and shooting comfort

The **walnut** stock offers a natural and comfortable grip. The adjustable cheek rest allows for easy adaptation of the shooting position. Lighter than other models in the range, it is particularly maneuverable while maintaining good stability.

Functional and scalable equipment

The wooden handguard incorporates a lower accessory mounting system and a **Picatinny** rail. The removable **20 MOA** top rail allows for the mounting of optics suitable for **precision shooting** . The muzzle thread is protected by a bushing, ensuring durability and versatility.

Reliable and precise mechanics

The machined action, combined with a two-lug rear locking system, ensures smooth operation. The dual extractor improves ejection reliability-a crucial factor in **.22 LR** . The **Victrix Sporting Plus** trigger, set at around 250g, delivers a crisp and controlled break.

An excellent foundation for starting and progressing

Delivered with a carrying case and essential accessories, the **Victrix Ardea** is an ideal platform for discovering or perfecting **rimfire precision shooting** , with an excellent balance between performance and accessibility.

FAQ

Is this rifle suitable for beginners?

Yes, it is ideal for starting out in precision shooting thanks to its simplicity, lightness and economical .22 LR caliber.

Can a lens be mounted on this model?

Yes, thanks to the removable 20 MOA Picatinny rail, compatible with the majority of shooting optics.

What maintenance is required for this type of rifle?

Regular cleaning of the barrel and mechanism is recommended to maintain accuracy and reliability, especially in .22 LR.
