Quick and reliable assembly with precise adjustment

The **INNOMOUNT QD mount** for **Blaser and Sauer 505** interfaces is available in several heights to precisely adapt to different optical configurations. Its retractable lever system allows for quick, smooth, and tool-free disassembly, while ensuring excellent repeatability of the point of impact. In use, it offers intuitive and perfectly controlled mechanics, combined with a robust construction of high-strength aluminum and treated steel.

- **Interface** : Compatible with Blaser and Sauer 505 rails
- **System** : Secure retractable locking lever
- **Controls** : Push buttons for unlocking
- **Materials** : High-strength aluminum / treated steel
- **Compatibility** : Glasses with a 36 mm center tube

- **Diameter** : 36 mm
- **Available heights** : 14 mm, 17 mm, 20 mm
- **Ring spacing** : 70 mm
- **Total length** : 135 mm
- **Compatibility** : Blaser / Sauer 505

The INNOMOUNT QD 36 mm mount for Blaser and Sauer 505 offers a reliable solution for quickly adapting your optics to your setup.

An efficient Quick Detach system

The **secure retractable levers** allow for quick, tool-free assembly and disassembly. The push buttons ensure controlled operation, preventing accidental opening.

A precise fit to your optics

Available in **14mm, 17mm, and 20mm** , this mount allows for fine-tuning the scope's position. In practice, this directly improves aiming comfort and alignment.

Stability and robustness

With a **center-to-center distance of 70 mm** and a **total length of 135 mm** , stress distribution is optimal. The **high-strength aluminum** and **treated steel** construction ensures excellent durability.

FAQ

Does the assembly retain its settings after disassembly?

Yes, once properly adjusted, the INNOMOUNT QD mount guarantees excellent repeatability of the point of impact.

Is the system secure?

Yes, the levers are retractable and secured by push buttons to prevent any unintentional opening.

Which glasses is this setup compatible with?

It is compatible with all glasses with a 36mm center tube.
