LM Rail dedicated quick-mount system for Weaver/Picatinny rails

The **INNOMOUNT QD mount** for **Weaver and Picatinny** rails compatible with **LM Rail** offers a quick and easy mounting solution perfectly suited to this standard. Its retractable lever system allows for smooth, tool-free removal while ensuring excellent repeatability of the impact point. In use, it delivers precise mechanics and excellent rigidity, perfectly meeting the demands of the field.

- **Rail compatibility** : Weaver / Picatinny
- **Optical compatibility** : LM Rail
- **System** : Secure retractable locking lever
- **Controls** : Push buttons for unlocking
- **Distance between axes** : 110 mm
- **Total length** : 142 mm
- **Materials** : High-strength aluminum / treated steel

- **Compatibility** : LM Rail
- **Height** : 15 mm
- **Distance between axes** : 110 mm
- **Total length** : 142 mm
- **Rail compatibility** : Weaver / Picatinny

The INNOMOUNT QD mount for Weaver and Picatinny rails in LM Rail version offers a reliable and quick solution for equipping your optics.

A high-performance Quick Detach system

The **secure retractable levers** allow for quick, tool-free assembly and disassembly. The push buttons ensure controlled operation and prevent accidental opening.

LM Rail specific compatibility

This mount is designed for optics equipped with the **LM Rail** standard, ensuring precise adjustment and optimal integration on Weaver or Picatinny rails.

Stability and robustness

With a **length of 142 mm** and a design in **high-strength aluminum** and **treated steel** , this mount ensures reliable and durable support, even in demanding conditions.

FAQ

Is this assembly compatible with other types of rails?

It is compatible with Weaver and Picatinny rails, but only with LM Rail standard optics.

Does the assembly require any tools?

No, the QD system allows for quick assembly and disassembly without tools.

Is the setting retained after disassembly?

Yes, if the assembly is correctly adjusted, the repeatability of the point of impact is ensured.
