Quick-release LM Rail mounting kit for Sauer 303 SN

The **INNOMOUNT QD mount** for **the Sauer 303 SN,** compatible with **LM Rail,** offers a quick, reliable mounting solution perfectly suited to this standard. Its retractable lever system allows for smooth, tool-free removal while ensuring excellent repeatability of the point of impact. In use, it delivers precise mechanics and reassuring rigidity, ideal for demanding applications.

- **Weapon compatibility** : Sauer 303 SN
- **Optical compatibility** : LM Rail
- **System** : Secure retractable locking lever
- **Controls** : Push buttons for unlocking
- **Materials** : High-strength aluminum / treated steel

- **Compatibility** : LM Rail
- **Height** : 15 mm
- **Total length** : 120 mm
- **Compatibility** : Sauer 303 SN

The INNOMOUNT QD mount for Sauer 303 SN in LM Rail version offers a reliable and quick solution for equipping your optics.

A high-performance Quick Detach system

The **secure retractable levers** allow for quick, tool-free assembly and disassembly. The push buttons ensure simple and safe operation, even in field conditions.

LM Rail specific compatibility

This mount is designed for optics equipped with the **LM Rail** standard, ensuring precise adjustment and optimal integration on Sauer 303 SN.

Stability and robustness

With a **length of 120 mm** and a design in **high-strength aluminum** and **treated steel** , this mount ensures reliable and durable support, even in demanding conditions.

FAQ

Is this assembly compatible with all Sauer 303 models?

It is designed for Sauer 303 models equipped with the SN system. Check the compatibility of your weapon.

Does the assembly require any tools?

No, the QD system allows for quick assembly and disassembly without tools.

Is the setting retained after disassembly?

Yes, if the assembly is correctly adjusted, the repeatability of the point of impact is ensured.
