- **Dimension B** : 91.25 mm
- **Dimension C** : 22.15 mm
- **Weight** : approx. 135 g

The **INNOMOUNT Multirail** allows you to equip a Tikka M55 with modern optics while maintaining great flexibility. It combines a classic Picatinny rail with Blaser mount compatibility - a practical and future-proof solution.

Two systems in a single assembly

This hybrid rail allows the use of both **Picatinny** accessories and Blaser mounts. The result: a wide range of choices to adapt your optics to your needs.

Stability and repeatability

The precision-machined profiles ensure consistent optical support. Even under stress, positioning remains reliable - this is exactly the kind of detail that is validated in the field.

Bronzed steel construction

Made from **bronzed steel** , this rail offers excellent resistance to mechanical stress. Even under intensive use, the assembly remains stable and durable.

Versatility and scalability

This system allows for easy upgrades to your equipment. You can switch from one setup to another without a complete overhaul - a flexibility that is appreciated in the long run.

FAQ

Is this rail compatible with the Tikka M55?

Yes, this model is specifically designed for the Tikka M55 rifle.

What is the advantage of a hybrid Picatinny/Blaser rail?

It allows the use of both Picatinny and Blaser mounts, offering great flexibility of use.

Is the assembly durable?

Yes, its steel construction guarantees excellent resistance and optimal stability over time.
