- **Dimension C** : 21.9 mm
- **Weight** : approx. 135 g

The **INNOMOUNT Multirail** allows you to equip a Tikka T3 with modern optics while maintaining great flexibility. It combines a classic Picatinny rail with Blaser mount compatibility - a practical and future-proof solution.

Two systems in a single assembly

This hybrid rail allows the use of both **Picatinny** accessories and Blaser mounts. The result: a wide range of choices to adapt your optics to your needs.

Suitable for the Tikka T3

Designed specifically for the **Tikka T3** , this rail ensures precise and perfectly aligned mounting. In use, everything fits naturally - without any guesswork.

Bronzed steel construction

Made from **bronzed steel** , this rail guarantees excellent resistance to mechanical stress. Even under heavy use, the assembly remains stable and durable.

Stability and repeatability

The precision-machined profiles ensure consistent optical support. Positioning remains reliable over time - essential for maintaining settings.

FAQ

Is this rail compatible with the Tikka T3?

Yes, this model is specifically designed for the Tikka T3 rifle.

What is the advantage of a hybrid Picatinny/Blaser rail?

It allows the use of both Picatinny and Blaser mounts, offering great flexibility of use.

Is the assembly durable?

Yes, its steel construction guarantees excellent resistance and optimal stability over time.
