The **INNOMOUNT CZ550 QR Mount Without Rings** is a quick-release mount designed for CZ550/557 rifles. Precise and robust, it allows for the installation of optics in seconds, without tools.

- **Type:** single base assembly
- **System:** Quick Release
- **Compatibility:** CZ550 / CZ557
- **Necklaces:** not included
- **Material:** aircraft-grade aluminum
- **Fixing:** secure clamping lever

Specifically designed for CZ550 / CZ557

This **INNOMOUNT mount** is dedicated to the CZ550 and CZ557 rifles. It integrates perfectly with the original interface, guaranteeing stable and precise positioning of your optic - a key point for maintaining a consistent zero.

Reliable and intuitive Quick Release system

The clamping lever allows for quick fastening in two simple movements. Once locked, it cannot be accidentally opened. To unlock, a safety button must be pressed - a practical and secure solution in the field.

A base ready to receive your necklaces

This model is supplied **without mounting rings** , allowing you to freely choose the diameter and height best suited to your optics. This flexibility is appreciated for precisely configuring your equipment.

Lightweight and robust

Made from aircraft-grade aluminum, this mount offers an excellent balance between lightness and strength. It easily withstands the stresses of shooting while maintaining smooth handling.

Usage characteristics

- **Assembly:** tool-free
- **Disassembly:** quick and safe
- **Use:** hunting and sport shooting
- **Maintenance:** excellent repeatability of the point of impact

FAQ

Is this assembly compatible with all CZs?

It is specifically designed for the CZ550 and CZ557 models. It is recommended to check compatibility for other models.

Are the necklaces included?

No, this model is sold without rings to allow you to choose the diameter and height that best suit your glasses.

Does the Quick Release system retain the setting?

Yes, the system is designed to offer excellent repeatability and maintain the point of impact after reassembly.
