Quick and precise assembly for modern Sauer platforms.

The **INNOMOUNT Base QD Sauer 404 11 mm** is a quick-release mounting base designed for Sauer rifles equipped with the SUM system.
Compact and robust, it guarantees reliable fixation and excellent repeatability of optical adjustment.

- **Compatibility:** Sauer 404 / Sauer 303 (SUM) / SUM mount
- **Height:** 11 mm
- **Tilt:** 0 MOA
- **Extension:** KR 0.0 mm
- **Material:** aluminum
- **Color:** black

Perfect compatibility with the Sauer SUM system

This **INNOMOUNT** base is specifically designed for **Sauer 404** rifles and compatible SUM platforms. It integrates directly with the original interface, ensuring a stable and perfectly aligned mount.

Intuitive Quick Detach System

The **QD** system allows for quick, tool-free mounting and dismounting. In practice, this facilitates transport or lens changes, while maintaining excellent retention of the initial setting.

Optimized height for a natural view

With a height of 11 mm, this base offers a low sight line. This improves comfort and acquisition speed - particularly valuable in active hunting situations.

Lightweight and sturdy construction

Made of aluminum, it combines lightness and strength. The zero MOA (zero cant) allows for versatile use at standard shooting distances.

Additional technical details

- **Tilt:** 0° / 0 MOA
- **Extension:** KR 0.0 mm
- **Use:** hunting and sport shooting
- **Assembly:** quick and tool-free

FAQ

Is this base compatible with all Sauer models?

It is designed for Sauer 404 models and SUM systems, as well as some SUM-compatible Sauer 303 models.

Does the QD system retain the optical adjustment?

Yes, INNOMOUNT mounts offer excellent repeatability, allowing the point of impact to be maintained after disassembly.

Can a scope be mounted directly onto this base?

No, this base requires compatible upper components (collars or INNOMOUNT interfaces) to attach optics.
