- **Color:** Brown
- **Length:** 13 cm
- **Width:** 6 cm
- **Thickness:** 4.5 cm
- **Structure:** Ventilation cells
- **Back:** Non-slip grooved surface

Added comfort with every shot

Whether during a long day of hunting or an extended session at the shooting range, improved cushioning quickly transforms the experience. This **butt plate sock** slips easily onto the stock to provide added comfort while minimizing wear marks on the original butt plate.

A design built to last

Its structure incorporates **ventilation holes** that contribute to the overall flexibility and improve the dissipation of stress during recoil. In practice, a more comfortable feel is immediately noticeable on the shoulder, particularly with the most powerful calibers.

Good grip and hold

The back features **anti-slip grooves** for good stability when shouldering the gun. Its wraparound profile ensures a secure fit on many over-and-under, side-by-side, semi-automatic, or pump-action shotgun stocks, while maintaining natural handling.

Stock protection

Beyond comfort, this accessory effectively protects the butt plate from scratches, scuffs, and minor impacts during transport. It's exactly the kind of detail you appreciate over time when you want to keep your firearm in excellent condition.

FAQ

Is this sock compatible with all rifles?

It is suitable for most over-and-under, side-by-side, semi-automatic and pump-action shotguns with a butt plate of dimensions compatible with its 13 x 6 cm.

Does the stock need to be modified to install it?

No. This sock is simply installed by slipping it onto the existing butt plate, without drilling or modifying the weapon.

What kind of maintenance should be planned?

Regular cleaning with a damp cloth is sufficient to remove dust, mud or residue and maintain its original appearance.
